

SHOW: WEIMARANER ASSOCIATION CHAMPIONSHIP SHOW

DATE: 12 SEPTEMBER 2021

JUDGE: GAYNOR MYERS

I would like to start by thanking the amazing committee, my wonderful stewards but most of all you the exhibitors for giving me the opportunity to judge your beautiful greys, it was a real honour & a pleasure to judge at a breed club show & I was amazed by the fantastic entry of dogs both numerically & quality wise. The weather was kind, the ring was large, couldn't have asked for anything more.

MPD 2: 1. Robson's Robricci Aramis; A striking boy of nearly 9mths, pleasant expression, good ear-fold, adequate depth to forechest, well boned standing on well padded feet, pleasing length of rib, strength over rear, his more collected movement gave him this & subsequent classes. BPD. 2. Martin's Deifstock Deja Vu for Teufel; This young man is just 6mths & very much as he should be at this age, a baby. He has everything there, super length, well laid shoulders, length to upper arm, depth & bone, just needs time, of which he has plenty.

PD 4: 1. Robson's R A repeat. 2. Hopp's Minstergate Hamilton; At just 9mths he appealed for his overall type & size, lovely head proportions, clean over neck & shoulders, super rib to loin ratio, balanced angles, hocks well let down, he's raw which definitely isn't a negative & I've no doubt he'll finish well, covered a lot of ground as he went round the ring but not as true in footfall as 1 at the moment. 3. 2nd in MPD.
