

WA Annual Awards

Use the guide tables below to calculate how many points you have gained from 1 February 2018 to 31 January 2019 and submit your claim as soon as possible (by 31 March at the latest) as indicated.

Most of these trophies are not automatically awarded, so you have to make a claim. Please make a claim, you have nothing to lose! It does not matter if you have a few or a lot of points, please submit your claim anyway and you may be pleasantly surprised.

Naturally, awards only go to paid up Members, so please ensure your subscriptions are up to date.

For Awards having any Show component please submit where claims are necessary to Gillian Read, Show Secretary.

For Agility Awards please submit to Janet Hudson, via e-mail (janethudson@doglovers.co.uk).

For Awards having purely a field or pointing or working test component, please send claims to Nigel Wroe, FT Secretary.

To assist with assessing whether a claim is made and which activities are evaluated, each trophy/award shows a coded strip in the heading, with a key as follows:

- | | |
|---|---|
| CL – A claim is required | NM – Nominated - no claim required |
| SH – Includes a show component | FT – Includes a field trial component |
| GT – Includes a gundog working test component | SP – Includes a spring pointing component |
| WT- Includes a working trials component | AG – Includes an agility component |
| | OB - Obedience |

Where the title of an award is in **RED** then nominations are required from members, to be sent to the Show Secretary.
